the public speaking fear cure how to overcome public speaking anxiety with training and tips to speak up with confidence public speaking zarefsky public speaking training magic The term "illusion of transparency" was coined in a 1998 research paper by Gilovich, Savitsky, and Medvec who first studied this bias. Their research showed that we tend to overestimate the degree to which our thoughts or emotions "leak out" and become known to those observing us. It's not as if we believe that others can read our mind; rather, we tend to believe that others can pick ...
