the pullman strike and the labor movement in american history The Pullman Strike was a nationwide railroad strike in the United States that lasted from May 11 to July 20, 1894, and a turning point for US labor law. It pitted the American Railway Union (ARU) against the Pullman Company, the main railroads, and the federal government of the United States under President Grover Cleveland. The strike and boycott shut down much of the nation's freight and ...

the pullman strike and the labor movement in american history The Pullman Car Company, founded by George Pullman, manufactured railroad cars in the mid-to-late 19th century through the first half of the 20th century, during the boom of railroads in the United States. Through rapid late nineteenth century development of mass production, and takeover of rivals, the company developed a virtual monopoly on production and ownership of sleeper cars.

the pullman strike and the labor movement in american history Begriffsgeschichte. Der Begriff Pax Americana bezog sich anfänglich nur auf Stabilität und Frieden innerhalb der USA nach dem Sezessionskrieg. Gedruckt findet er sich zum ersten Mal 1894 in der New Yorker Zeitschrift The Forum in einem Aufsatz über die Niederschlagung des Pullman-Streiks durch Bundestruppen:
