the pulse of hopeful life "One of These Days" is the opening track from Pink Floyd's 1971 album Meddle. The composition is instrumental except for the only spoken (or sung) line from drummer Nick Mason, "One of these days I'm going to cut you into little pieces." It features double-tracked bass guitars played by David Gilmour and Roger Waters, with each bass hard panned into one channel of stereo, but one bass sound is ...

the pulse of hopeful life This 1024 pulse per rotation rotary encoder outputs gray code which you can interpret using a microcontroller and find out which direction the shaft is turning and by how much. This allows you to add feedback to motor control systems. Encoders of this kind are often used in balancing robots and dead reckoning navigation but it could also be used as a very precise input knob.
